*“I could tell it was just as important for Carlann to see me grow as it was for me to improve myself. She saw an unspoken barrier to my growth and jumped right into the deep end with me. She made me realize what was restricting me from growing further in my career. Thank you for helping me find more potential in my career and life.”*

**Kim Sanders, promoted to Manager, Application Development**

**Accelerated Change – Accelerated Outcomes:**

During this extraordinary experience you will meet every other week for six months on-line to explore behaviors and thought patterns that are propelling and blocking your desired results. In addition to group coaching you will receive three private sessions. Your learning and results are supercharged through assessments, immediate

application assignments, videos and self-reflection. Lasting change is supported through a Facebook community and a six-week follow-up group session.

*“Carlann has the keen ability to quickly and accurately narrow in on specific challenges that translated to ‘me getting out of my own way.’ I was able to apply the knowledge to my personal life as well. Her outstanding ability to connect, identify, coach and follow through has really taken my professional/personal development to the next level.”*

**Joy Avery, promoted to Vice President, Operations**
